ZEBRA   LINEA PRO   Honeywell

Zebra
TC22 / TC27

PRICE RANGE
$775 – $925

The third generation of the highly successful TC2x Series, the TC22/TC27 delivers the best of all worlds — smartphone styling and pricing, with big business features that boost productivity and customer service quality. This compact, powerful device offers a large 6 in. display, 5G, Wi-Fi 6E, integrated scanners, support for tap-to-pay and other contactless transactions and more. Get the boost you need to compete with any size business with the TC22/TC27 — the smartphone style workers want, the features your business needs, all at a price you can afford.

Zebra
TC53 / TC58

PRICE RANGE
$1,600 – $1,950

Today's workers want a device that is every bit as contemporary and easy to use as the smartphone they use every day. Your business needs a rugged device that will last for years, with all the features you need to enable your workers to achieve peak productivity and keep your data secure. Designed for the new business world, the TC53's industrial design looks and feels like the most popular pocketable consumer-style smartphones to meet your workers' expectations, along with the enterprise-class features, power, security and manageability your business requires. With unique Zebra-only features, TC53 is a touch computer that is truly in a class of its own. The TC53 — the next evolution in enterprise touch computing.

Zebra
TC73 / TC78

PRICE RANGE
$2,200 – $2,500

Your employees need enterprise class handheld computers to communicate and access information seamlessly in order to work more efficiently and better serve your customers — yet they want a device that is every bit as refined and easy-to-use as their own consumer devices. Now, you can give them both with the TC73 Series. The rugged design holds up even in the most demanding environments. You can automate the capture of just about any type of business intelligence with the embedded scanner. And the full complement of accessories and cutting-edge technology will serve your business for years to come, for an unsurpassed return on investment. Better serve your customers in retail, manufacturing, and operations with the TC73 Series. Real competitive advantage — delivered.
